PROFESSIONAL SUMMARY

Entry-level Food Science and Technology graduate with a strong academic foundation and practical experience in quality control, food production support, farm operations, and product handling. Demonstrates a clear understanding of food safety, hygiene standards, process control, and documentation within production environments. Known for reliability, attention to detail, and the ability to learn quickly in structured and fast-paced settings. Brings proven leadership, communication, and organizational skills, with a strong interest in building hands-on technical competence and contributing to quality-driven FMCG and food production organizations.

EDUCATION

Bachelor of Technology in Food Science and Technology
Federal University of Technology, Akure, Ondo State, Nigeria
Second Class Honours (Upper Division)

January 2020 - September 2025

PROFESSIONAL EXPERIENCE

Assistant Farm Manager
Divine Farms

September 2019 – February 2025

- Supervised daily farm operations, ensuring the proper care, feeding, and overall well-being of all livestock.
- Monitored animal health, identified signs of illness early, and administered prescribed medications or treatments when necessary.
- Maintained accurate records of farm activities, including breeding, feeding schedules, and production data.
- Ensured a clean, organized, and hygienic environment to promote animal health and operational efficiency.
- Performed routine maintenance of farm facilities and equipment to support smooth, continuous operations.
- Engaged with agricultural networks and stayed informed on emerging trends and best practices in modern farming and livestock management.

Quality Control Intern
Fortunate Ultra-Modern Bakery

August 2024 – December 2024

- Ensured the quality and accuracy of baking ingredients through careful measurement, inspection, and verification before production.
- Maintained high standards of hygiene and sanitation during ingredient preparation, handling, and weighing processes.
- Supervised and confirmed the proper cleaning and sanitization of measuring tools, containers, and work surfaces in accordance with food safety guidelines.
- Conducted sensory evaluation of finished baked products to assess quality attributes such as texture, aroma, and taste consistency.
- Collaborated with production personnel to ensure adherence to established quality standards and improve overall process control.

LEADERSHIP AND VOLUNTARY EXPERIENCE

**Team Lead (Design),
The Forgers Community**

February 2025 - Present

- Actively engage in community-driven initiatives that promote personal growth, consistency, and development across mental, financial, and emotional wellness.
- Participate in workshops, discussions, and mentorship sessions aimed at improving productivity, leadership, and self-discipline.
- Collaborate with fellow members to share insights, support accountability goals, and contribute to a culture of continuous learning and effectiveness.
- Uphold the community's values by demonstrating commitment to self-improvement, integrity, and purposeful living.

**President,
Nigerian Association of Food Science and Technology Students, FUTA Chapter**

November 2023 – January 2025

- Served as the chief executive and principal representative of the association, providing strategic leadership and direction for all activities.
- Presided over all meetings of the Student Executive Council (SEC) and ensured effective coordination and decision-making.
- Oversaw and guided the performance of all executive officers to ensure smooth operations and achievement of organizational objectives.
- Organized and supervised key events, seminars, and outreach programmes that strengthened member engagement and visibility of the association.
- Functioned as a signatory to the association's account, maintaining transparency and accountability in all financial matters.
